Course Info

Starting line

The starting line is located across from picnic area 5 at the bottom of Killer Hill – look for the blue start flags. The finish line is on top of Killer Hill. 5K runners get to climb the hill twice and 10K runners are lucky enough to climb it 3 times.

This is a cross country style start. Your time starts when the gun sounds. If you are a speedster, you should be toeing the line and the line is narrower than most WTA events.

Course Condition

The course is in great condition. Please note that you will cross two roads on this race. They will be marked and coned but please use caution.

Aid Stations

There are two aid stations on the 5K/10K course.

Finish Line

Make sure you stop by our fresh fruit bar. You won't find warm water and stale bagels here.

Restrooms

Restrooms are available in area 4 (old school restrooms) and area 5 (new restrooms). Here is a friendly suggestion. Stop at another picnic area before you get to race and you will have a restroom all to yourself.

Awards

Overall Male & Female will receive plaques. Top 3 male & female finishers in 5 year age groups will receive a custom medal. Awards can be mailed by ordering them to be shipped [HERE](#).

[Average Joe & Jane Awards](#)

At all Silver Circle Sports Event 5K, we will award the Average Joe & Jane award. That person that finished exactly in the middle of the gender 5K division. Each winner will receive a super sexy Average Joe / Average Jane shirt, flowers and a free entry into the [Winter Average Joe 5K](#).

Timing

The race is chip timed by Silver Circle Sports Events and the chip is on your bib. This is a gun start so your time starts when the gun sounds.

Series Scoring & Teams

Points are assigned by place position for each age group. Points will be based on a point system (1st place 10 points, 2nd place 9 points, 3rd place 8 points through 10th place). You must participate in 4 of the 7 races to be eligible for the series awards. You can switch between distances (at no cost) but you must run in at least 4 races of the same distance.

NOTE – because this event is part of the Wisconsin Trail Assail Series, we use your age at the end of the year.
