11:00ish course closes for 1/2

### **Course Info**

#### **Starting line**

The starting line is located on the far south side of the park in the open field where the field goal stations are. There will be two blue flags that say "start".

#### **Course Condition**

The course is in TBD and the weather is TBD. The trees have already started to change so it should be a beautiful day.

It might be time to mention that the course is hilly. Please be careful on the hills as some of them are on grass and may be slippery from the morning dew. Spikes are permitted.

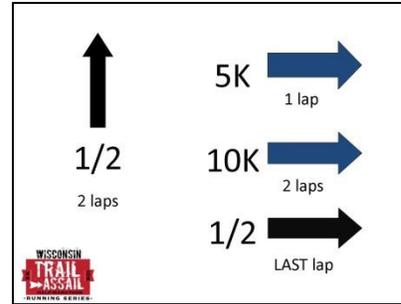

#### **Course Marking and Closures**

The entire course will be marked with white signs and black or black arrows. ALL of the course will be on wide trails. There are NO road crossings and you will not be on a small side trail. You will never turn without the corner being marked with signs.

The 5K is one lap.

The 10K is two laps.

The ½ marathon is two laps of the outer course and a one lap of the 5K. The ½ marathon split will be marked but you will need to count your laps. At the split (shortly after 2 miles) the 5K & 10K runners will turn right. The ½ marathon will go straight. Shortly after the 4 mile marker the ½ marathon will join the 5K/10K route through the finish/start line.

On the second lap you will do the same as the first. Keep going straight at the 5K/10K turn and follow the black arrows. You will join the 5K/10K route again after mile 9 through the start/finish.

The third lap you will turn right at the split and follow the 5K/10K route. Summary – 2 laps on the outside course and the final lap on the 5K/10K course.

### **Aid Stations**

There are two aid stations on the 5K/10K course and three on the ½ course. Water and Nuun will be on all aid stations and the ½ aid station will have GU.

### **Restrooms**

Restrooms are available at the registration building, start line and finish line. There are additional bathrooms at all the other picnic areas.

### **Timing**

The race is chip timed by Silver Circle Sports Events and the chip is on your bib. You **MUST** wear your bib on the front of your shirt and we **MUST** be able to see it. Don't this be person with your bib on your back.

If you decide to change distances or cut off a portion of the course, please let us know when you cross the finish line. Hey the computer just thinks your super duper fast!

### **Race Day Registration**

We will have race day registration available for stragglers.

### **Questions?**

Please feel free to contact our race director at [info@silvercirclesportsevents.com](mailto:info@silvercirclesportsevents.com)

### **Series Scoring & Teams**

Points are assigned by place position for each age group. Points will be based on a point system (1st place 10 points, 2nd place 9 points, 3rd place 8 points through 10th place). You must participate in 4 of the 7 races to be eligible for the series awards. You can switch between distances (at no cost) but you must run in at least 4 races of the same distance.

Find three friends and create a team as part of the team challenge. It is free and open to everyone. Points are awarded to all teams and the winning team gets a free entry into the Chilly Willy Winter Run Series, a stupidly tall trophy and bragging rights. [See website for details.](#)

NOTE – because Run from the Taxman is part of the Wisconsin Trail Assail Series, we use your age at the end of the year.
