Early Start & Course Closures

As much as we'd love to spend days/nights/weekends at our favorite race sites, our permits only allow us to be on site for a limited amount of time. We are required to close the course to stay within those limits and, unfortunately, participants will not be permitted to continue once the course is closed for the final lap. The course will close for the final lap at 11:15am.

If you are concerned about being able to finish the half marathon in the allotted time, we want to help you achieve your running goals, so we offer an early start for those who need a little more time. Early start half marathoners may receive a gun start with a chip finish, but are not eligible for age group awards or series awards. The course may not be marked, course marshals & police may not be on course, aid stations may not be set, and the course is open to the public. The early start is **ONLY** for half marathons.

Those that are not participating in the half marathon and start early will not receive an official time and will be disqualified. Additionally, participants who continue after being asked to stop will be disqualified.

Race Shirts

Unfortunately, we cannot hold race shirts for those who can't make it to the race – we simply don't have room for boxes and boxes of extra shirts. If you can no longer make the race and still want your shirt, please email us BEFORE the race so we can put it aside. Otherwise, we cannot guarantee we'll have a shirt for you after the race. More info [here](#).

Course Info

Restrooms

Restrooms are available at the pavilion in Picnic Area 1, near registration and the Start/Finish Line. There are additional bathrooms at all the other picnic areas.

Course Marking and Closures

The entire course will be marked with signs and arrows. ALL of the courses will be on wide trails. There are NO road crossings and you will not be on a small side trail. You will never turn without the corner being marked with signs.

5K - 1 lap inside - 3.21 miles

10K - 2 laps inside - 6.42 miles

Half - 2 laps outside, one lap inside - 13.03 miles

[Inside course loop map](#) | [Outside course loop map](#)

We are running the course **in the opposite direction** that we normally run at Nashotah.

The inside loop/outside loop split is shortly after mile 1. Outside loop runners will go straight and inside loop runners will turn left. The two courses merge again at mile 4ish.

We will have a timing mat on the course tracking laps, but it is the athlete's responsibility to keep track of their individual lap count on course.

Do not cross the Finish Line until you have completed ALL laps.

Aid Stations

We are cup free at aid stations! There will be NO cups at aid stations. Please bring a hydration bottle or collapsible cup with you. There is one aid station that you pass twice per lap.

You are also welcome to drop a hydration/nutrition bag on course. We recommend near the aid station, but it's your bag and your choice!

The aid station is located just after mile one.

Awards

Overall Awards

Overall Male & Female runners for each distance will receive a custom award provided by our partner [Ridgeway Woodworks](#).

Age Group Awards

Top 3 male & female finishers in 5-year age groups will receive a custom woodle. Age groups are 0-14, then every 5 years.

Finisher Woodles

All participants will receive a Finisher woodle from Ridgeway Woodworks.

Miss Your Award?

Medals can be picked up at our office the Wednesday following the event.

1327 Wall Street, Suite B
Oconomowoc, WI 53066

They are located in front of the northern entrance door in a black bin. If you would like it mailed, you can order it to be shipped [here](#).

Timing

The race is chip timed by Silver Circle Sports Events with a chip start. Your time will begin when you cross the Start Line and conclude when you cross the Finish Line. Please make sure your bib is on the front of your body and visible to our staff.

[Instructions on bib placement.](#)

Medical Emergencies

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist.

There is an automated external defibrillator (AED) and first aid kit located on the timing van.

Weather

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area

and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement. Weather updates will be posted on Facebook.
