Course Info

Start/Finish Line

The start line is located adjacent to the pavilion. Please ensure you finish under the finish line truss with your bib on the front of your body.

Course

This is a fast and flat out and back course starting at Sunset Park. There is a narrow, paved trail before you enter the Glacial Drumlin Trail. It is a sharp 180 degree turn to get onto the trail.

The turns will each be marked with a 2X3 foot sign in the middle of the path. Please make the turn there. The marathon course will also have timing mats at the marathon turn. Make sure you cross those, or you will get a DQ.

While this is a path, it is a public path and there may be others on it. Please watch for them. All road crossings have public traffic and may not be manned. Please use caution when crossing roads.

5K, 10K, Half & Marathon = Super simple out and back.

Early Start

There is an option to start at 6 am for the marathon if you're worried about being able to finish before the course closes (1:00pm). If you decide to do this, please check in with the timing trailer so we can record your start time. THERE WILL BE NO COURSE SUPPORT UNTIL 7 AM. You will not be eligible for a Boston Qualifying time nor will you be in the age group results, but you are welcome to start early.

Restrooms

There are porta potties on site and on course.

Aid Stations

All aid stations will have water, Nuun, & Gu. [Aid station & restroom locations list.](#)

Fresh Fruit Bar

There is a fresh fruit bar at the finish line for runners. You won't find warm water and stale bagels here. It is 100% free - we only ask that our early finishers consider runners yet to finish.

Spectators

This is a spectator-friendly course. Here is a [list of intersections](#) where you can have your family and friends drive so they can cheer you on along the way.

Timing

The race is chip timed by Silver Circle Sports Events with a chip start. Your time will begin when you cross the start line and conclude when you cross the finish line. Please make sure your bib is on the front of your body and visible to our staff.

[Instructions on bib placement.](#)

Switching Distances

If you would like to switch distances now or before the race, just let us know at check-in. If you decide on the course that you don't want to complete the full or ½ and cut the course, please let our timer know when you cross the finish line.

Awards

Overall Male & Female

A plaque & flowers will be presented to the first place male & female finishers.

Age Groups

0-14, then 5 year increments up to 90.

Medals

There is an automated external defibrillator (AED) and first aid kit located on the timing trailer.

Weather

The event will be held unless severe weather occurs. In the event of severe weather, the race director may delay or cancel the event. Please watch social media for any weather notices.
