All distances start and finish at the same locations. The course will be marked with signs and volunteers. The 5K is three laps around the park and the 1-mile walk is one lap. Walkers, please stay to the right. We strongly suggest you start near the back of the line and begin walking as soon as the event starts.

You should cross the finish line **ONLY** after you have completed all of your laps.

Aid Stations

There is one aid station on course and one at the Finish Line.

Awards

Medals will be presented to the top three individuals in each age division for all races. The 5K awards ceremony will take place at about 5:15pm at the Start/Finish Line.

Timing

The run is chip timed by Silver Circle Sports Events with a chip start. Your time will begin when you cross the Start Line and conclude when you cross the Finish Line. Please make sure your bib is on the front of your body and visible to our staff.

Medical Emergencies

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist.

There is an automated external defibrillator (AED) and first aid kit located on the timing van.

Weather

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement.
