3. Select "Manage Registrations" from the race you want to change distances.
4. Chose the option to "Switch Events" to change distances.

If you decide to change distances while running – for example, drop to the walk distance from the run – no problem; just be sure to let our timing staff know when you cross the Finish Line.

Unfortunately, we cannot hold race shirts for those who can't make it to the race – we simply don't have room for boxes and boxes of extra shirts. If you can no longer make the race and still want your shirt, please email us **BEFORE** the race so we can put it aside. Otherwise, we cannot guarantee we'll have a shirt for you after the race.
