Race Day Instructions

A Message From Our Race Director

Hey, Runners! Our staff has been working on a social distancing plan for months. It has taken a very long time to convince municipalities we can hold in-person events in a safe manner. While we don't necessarily like some of the requirements, we must follow them to keep people safe and to continue to obtain permits. I ask that you follow them exactly as outlined. We never know who will be there monitoring our plan, but there will be someone. If we don't follow the plan, then future permits could be pulled, and we will be back to virtual running.

Thank you,
Sean K. Osborne

Covid Screening Questions

Be prepared to respond to Covid screening questions at
Packet Pickup.

Have you had any or do you currently have any of the
following symptoms that you cannot attribute to another
health condition?

Answer “Yes” or “No” to each question. Do you have:

- ☐ Fever or feeling feverish?
- ☐ Chills?
- ☐ A new cough?
- ☐ Shortness of breath?
- ☐ A new sore throat?
- ☐ New muscle aches?
- ☐ New headache?
- ☐ New loss of smell or taste?

If you answered “Yes” to any of the above, you should leave
immediately, stay away from other people, and contact your
health care provider.

Face Coverings

Based on our current permits, **face coverings are now required at events**. Here is how it works:

Anyone in the “arena” is required to wear a face covering. The arena is defined as anywhere other than on the race course. This includes registration, packet pickup, parking areas, finish line, start line, restrooms, beer line, medal line, anywhere near other people. If you are within 10’ of anyone, at any time, a face covering is required.

Once you are on course, face coverings do not need to be worn, provided you are at least 10 feet from another person. At the start, you are spaced 10’ from others - we strongly encourage you to keep that distance. If you need to pass, call out “on your left” and move as far left as you can. Once you have passed a runner and you are at least 10’ in front of them, move back to the right.

We encourage runners to consider using running buffs while running near others. Buffs are available on our [merchandise website](#).

When you cross the finish line, please move outside of the arena for your cool down. Once your cool down is complete, a face covering is again required.

If we want to keep running in person events together (and we do!), it is imperative that we exceed our permit requirements. Waukesha County is one of the few places in America that is open to in person events. It is up to our running community to prove that we can hold events safely.

Volunteers Needed – We are super short on volunteers!

If you, your group, the neighbor kid, or your mother-in-law has an interest in volunteering, we would greatly appreciate the assistance! All volunteers can run a future race for free. Sign up [HERE](#).

Social Distancing

At all times, please maintain a 10' social distance from fellow runners.

Waves

This is a wave start. Waves are comprised of 10 runners. We will have 10 rows of 10 cones, spaced 10' apart. You can self-select which wave you would like to run in by standing next to a cone facing the start line. We suggest faster runners in the first few rows and request you do not self-select your wave until 10 minutes before the start of the race.

The announcer will release one wave every 30 seconds starting at 9:00am. We encourage each wave of runners to self-distance as they approach the start mats.

Medical Emergencies

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist. If you have [symptoms of Covid-19](#), please go to the medical tent and self-isolate.

Weather

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area.
