COURSE INFO

Start/Finish Line

The Start/Finish Line is located within Fowler Lake Park. There is no parking at the Start Line, so please arrive early so you have time to walk to the Start Line before the race.

All runners will head out of Fowler Lake Park and head north. The route will traverse city streets north of the park before heading back south to the park for the finish. 5K runners will complete 1 LOOP. 10K runners will complete 2 LOOPS.

[Course Map](#)

Walkers, Strollers, and Dogs – for your safety, we ask that you start once the runners have cleared the Start Line. This will help avoid any collisions. Please stay to the left, which will allow for faster runners and walkers to pass.

We will use a mass start to begin the 5K and 10K, but the Start Line will remain open for approximately 10 minutes after the start – your time will not start until you cross the Start Line.

Course Marking

The course will be marked with cones, arrows, and turn signs. 10K runners will make a 180° turn prior to entering Fowler Lake Park and continue on their 2nd loop.

Restrooms

Restrooms are available at the Start/Finish Line.

Aid Stations

There will be two aid stations on course. There will also be an aid station right after the Finish Line. Please reference the [Course Map](#) for aid station locations. Aid stations will be stocked with water. Aid stations may be self-serve.

Garbage

There will be garbage cans on course. Please help us keep Oconomowoc beautiful and place all trash in a garbage can.

FINISH LINE HOT CHOCOLATE

Meet your friends after the race for a quick warm up at our hot chocolate bar. Complete with a huge selection of the tastiest treats, you'll find all you need to make a great cup of hot chocolate after a cold run. The hot chocolate bar will be located near the finish line or near registration.

AVERAGE JOE & JANE AWARDS

The Average Joe & Jane Awards are back for the Chilly Willy Series 5K Runs and are presented to the male and female runner who finish in the exact middle of all runners. Winners will receive a t-shirt and custom medal!

SWITCHING DISTANCES

You can change distances prior to the event through [RunSignup](#) – just follow these easy steps:

1. Log into your RunSignup account.
2. Go to your profile.
3. Select “Manage Registrations” from the race you want to change distances.
4. Chose the option to “Switch Events” to change distances.

If you decide to change distances while running – for example, drop to the 5K distance from a 10K – no problem; just be sure to let our timing staff know when you cross the finish line.

RESULTS & AWARDS

Results will be live and available on the [race website](#) as soon as you cross the finish line. We will have an awards ceremony for both the 5K and 10K races.
