Race Day Instructions

A Message From Our Race Director

Hey, Runners! Our staff has been working on a social distancing plan for 3 months. It has taken a very long time to convince municipalities we can hold in-person events in a safe manner. While we don't necessarily like some of the requirements, we must follow them to keep people safe and to continue to obtain permits. I ask that you follow them exactly as outlined. We never know who will be there monitoring our plan, but there will be someone. If we don't follow the plan, then future permits could be pulled, and we will be back to virtual running.

Thank you, Sean K. Osborne

Social Distancing

At all times, please maintain a 10' social distance from fellow runners.

Waves

This is a wave start. Waves are comprised of 10 runners. We will have 10 rows of 10 cones, spaced 10' apart. You can self-select which wave you would like to run in by standing next to a cone facing Genesee Lake Road. We suggest faster runners towards the front and request you do not self-select your wave until 7:45.

The announcer will release one wave every minute starting at 8:00am. The start mat will be adjacent to Genesee Lake Road and your time will not start until you cross the mat. We encourage each wave of runners to self-distance as you approach the start mats.

Medical Emergencies

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist. If you have <u>symptoms of Covid-19</u>, please go to the medical tent and self-isolate.

There is an automated external defibrillator (AED) and first aid kit located on the timing trailer.

Instructions on bib placement.

Course Info

Start Line & Finish line

The start line is adjacent to Genesee Lake Road and will be marked with start flags. Please do not cross the start line until your wave is released.

After crossing the start line, turn left (west) for an out and back course. This is an open course, so please watch for vehicles. Stay to the right!

The finish line is located on the west side of the park and will be marked with finish flags. Once you finish the race, we ask that you return to your vehicle and leave the park. If you need to wait for a

runner to finish, please wait in your car; do not wait at the finish line. The finish line must be cleared once you conclude your run.

Course Marking

The turnaround point will be marked with a Turn Here sign. You should turn there, or you are going to end up in Texas.

Aid Stations

There is no water on course or at the finish line. You should bring your own water.

Restrooms

Restrooms may be available at the park and should be open. We encourage you to stop before you get to the park because we don't have keys to the restrooms and cannot guarantee they will be open.

Parking

Parking is available at the park.

Social Media

Last minute updates, photos, videos, and results all get posted here first:

Weather

The event will be held unless severe weather occurs. In the event of severe weather, the race director may delay or cancel the event. Please watch social media for any weather notices.
