Course Marshals

Sentry Drive & entry to Glacial Drumlin Trail – 2

Stand on Sentry drive in front of the Glacial Drumlin Trail. There is a curb that runners will have to set over. Warn them LOUDLY that they need to step up on the curb. This area will be extremely busy for a few minutes and then quite for 15 minutes or so. When runners are returning, LOUDLY tell them to turn left (your right) and stay on the trail to the finish line.

Merill Hills Road & trail – 2

- Sentry Drive to Sunset Drive
- Right (west) on Sunset to Merrill Hills Road
- Right (north) on Merrill Hills Road to the trail
- A sheriff's officer will be there. Stand on the trail (1 person on the east side and 1 person on the west side). Warn runners that they are crossing a busy road and to watch for cars. The sheriff's office will stop cars but they need to be prepared for if cars do not stop.

½ marathon turn - 1

- Sentry drive south to Sunset Drive
- Right (west) on Sunset to Hwy DT/Waukesha Drive
- Right on Hwy DT/Waukesha Drive to Jarmon Road
Jarmon turns into Boettcher. Follow Jarmon/Boettcher to the trail.
- You will need to walk west about .3 miles to the ½ turn sign. There will be a large sandwich board that says ½ marathon turn here. Let runners know they need to turn there. Please count the runners as they make the turn. After 1:30 minutes grab the sign and return to the water station at the intersection of the trail and Boettcher road.

Aid Stations

Set up

- Fill cups half way with water and sports drink when you get to the station
- Hold the cups at the bottom and NOT at the rim of the cup when handing to runners
- Call out water or sports drink to runners as they approach The runner will tell you what they want
- Keep area clean throughout race. When there is some down time, pick up cups/ wrappers runners throw on the ground.

Make sure you have enough water and sports drink filled at all times

Clean up

- After race is over, empty cups
 - Please pick up all cups and wrappers the runners leave behind
 - Do not empty orange water jugs (we may need it at the finish line)
 - If water is left in 5 gallon bottles, put cap back on
 - Empty garbage and tie garbage bags
 - Collapse table and put water jugs on top of the table and garbage next to table
- Wrap all unused cups back in bag

The single most important thing we can do is provide a safe environment for the runners and the water station is a critical part of it. If you have any questions while on the course contact the Volunteer Coordinator Katie Osborne at 262-434-4472 or the Race Director Sean K. Osborne at 262-327-4472.

Please contact either Katie or Sean if you have medical questions/injuries. If immediate assistance is needed, contact 911 for emergencies.

In an event of an emergency call 911 NOT the race director
