COURSE INFO

Start/Finish Line

The start/finish line is located at Picnic Area 5. There is no parking at the start line, so please arrive early so you have time to walk to the start line before the race.

All runners will head south from Picnic Area 5 on roads traversing the park. Runners will then exit the park to the north and run through a residential neighborhood before running down the hill to the boat landing where they will make a final U-Turn to head up the hill and re-enter the park. 5K runners will complete 1 LOOP. 10K runners will complete 2 LOOPS.

[Course Map](#)

Walkers – for your safety, we ask that you start once the runners have cleared the start line. This will help avoid any collisions. Please stay to the left as you walk, which will allow for faster runners and walkers to pass.

We will use a mass start to begin the 5K and 10K, but the start line will remain open for approximately 10 minutes after the start. Any runner who wants to do a social distance start can do so after the mass start – your time will not start until you cross the start line.

Course Marking

The course will be marked with cones, arrows, and turn signs. When you see the large “Turn Here” sign, you should turn, or you’ll end up in the lake.

Restrooms

Restrooms are available at the start/finish line.

Aid Stations

There will be two aid stations on course. 5K runners will pass the first aid station at approximately Miles 1.5 & 2.5. There will also be an aid station right after the finish line. 10K runners will have aid stations at approximately Miles 1.5, 2.5, 3.1, 4.6, and 5.6. Please see the [Course Map](#) for aid station locations.

Aid stations will be stocked with water (Orange Jugs) and Gatorade (Red Jugs). Aid stations are self-serve.

Garbage

There will be garbage cans on course. Please help us keep Naga-Waukee Park beautiful and place all trash in a garbage can.

SWITCHING DISTANCES

You can change distances prior to the event through [RunSignup](#) – just follow these easy steps:

1. Log into your RunSignup account.
2. Go to your profile.
3. Select “Manage Registrations” from the race you want to change distances.
4. Chose the option to “Switch Events” to change distances.

If you decide to change distances while running – for example, drop to the 5K distance from a 10K – no problem; just be sure to let our timing staff know when you cross the finish line.

RESULTS & AWARDS

Results will be live and available on the [race website](#) as soon as you cross the finish line. We will have an award ceremony for both the 5K (9:40am) and 10K (10:20am) races.

Age group award medals for first – third place. Age groups are 0-14, then 5-year increments.

MEDICAL EMERGENCIES

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist. There is an automated external defibrillator (AED) and first aid kit located on the registration trailer.

WEATHER

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement.
