## Course Info

### Course Info

### Starting line

The starting line is located right next to check in. This is an open field, cross country style start. Your time starts when the gun sounds. If you are a speedster, you should be toeing the line.

### Course Condition

The course is in great condition. Please note that you will cross two roads on this race. They will be marked and coned but please use caution.

This course is rolling and very curvy. The paths are wide in most places but there is a section where it is narrow. The course also travels next to two paved paths. It's a trail race so you can decide if you want to run on the grass next to the paved path or run on the path. Spikes are permitted but NOT on the paved paths.

### Aid Stations

There will be one aid station on the course.

### Series Scoring & Teams

Points are assigned by place position for each age group. Points will be based on a point system (1st place

10 points, 2nd place 9 points, 3rd place 8 points through 10th place). You must participate in 4 of the 7 races to be eligible for the series awards. You can switch between distances (at no cost) but you must run in at least 4 races of the same distance.

NOTE – because this event is part of the Wisconsin Trail Assail Series, we use your age at the end of the year.

### **Restrooms**

There are restrooms located at each of the parking areas. We suggest you stop at one of the others because the lines get long at the start line.
