### **Start line**

We have moved the start line. There is a common start/finish line located near packet pickup. This will be a chip start race.

### **Course Condition**

This course is pretty flat with some rollers. Please be careful on the hills as some of them are on grass and may be slippery from the morning dew. Spikes are permitted.

There are two areas where runners can choose to run on the road or on the side of the road for approximately 0.25 miles. Runner's choice.

The 5K is one loop and the 10K is two loops.

### **Course Marking and Closures**

The entire course will be marked with signs and arrows.

### **Switching Distances**

You can change distances prior to the event by letting our registration staff know (they have a form for this). If you decide to change distances while running, let our timing staff know when you cross the finish line.

### **Aid Stations**

There will be two aid stations on the course.

### **Restrooms**

There are 9 restroom buildings in the park. We suggest you visit one of the 8 not next to registration before you get there. If you wait to use number 9, you will be late.
