Course Info

Starting line

The starting line is located right next to check in. We will chip start this race because the entrance to the trail is narrow. If you are a speedster, you should toe the start line.

Course Condition

The course is in great condition. Please note that you will cross two roads on this race. They will be marked and coned but please use caution.

This course is rolling and very curvy. The paths are wide in most places, but there is a section where it is narrow. The course also travels next to two paved paths. It's a trail race so you can decide if you want to run on the grass next to the paved path or run on the path. Spikes are permitted but NOT on the paved paths.

Aid Stations

There will be one aid station on the course.

Switching Distances

You can change distances prior to the event by letting our registration staff know (they have a form for this). If you decide to change distances while running, let our timing staff know when you cross the finish line.

Series Scoring & Teams

Points are assigned by place position for each age group. Points will be based on a point system (1st place 10 points, 2nd place 9 points, 3rd place 8 points through 10th place). You must participate in 4 of the 7 races to be eligible for the series awards. You can switch between distances (at no cost) but you must run in at least 4 races of the same distance.

NOTE – because this event is part of the Wisconsin Trail Assail Series, we use your age at the end of the year.
