Course Info

Starting line

The start line is located adjacent to the parking field to the south. Look for the two blue start flags. This is a short and narrow start line so if you are a speedster, make sure you are in the front of the line. Our trail runs are chip timed but we use a gun start in line with cross country tradition. That means your time starts when we say go.

It might be time to mention that the course is hilly. Please be careful on the hills as some of them are on grass and may be slippery from the morning dew. Spikes are permitted.

Course Marking and Closures

The entire course will be marked with white signs and black or black arrows. ALL of the courses will be on wide trails. There are NO road crossings and you will not be on a small side trail. You will never turn without the corner being marked with signs.

The 5K is one lap on the inside loop.

The 10K is two laps on the inside loop.

The ½ marathon is two laps of the outer course and a one lap of the 5K. The ½ marathon split will be marked but you will need to count your laps. At the split (shortly after 2 miles) the 5K & 10K runners will turn right (inside loop). The ½ marathon will go straight. Shortly after the 4 mile marker the ½ marathon will join the 5K/10K route through the finish/start line.

On the second lap you will do the same as the first. Keep going straight at the 5K/10K turn and follow the arrows on the outside loop. You will join the 5K/10K route again after mile 9 through the start/finish.

The third lap you will turn right at the split and follow the 5K/10K route. Summary – 2 laps on the outside course and the final lap on the inside loop.

Finish Line

You will only cross under the finish line when you are ready to finish. Do not cross it on any of the laps. Only when you are ready to finish.

Switching Distances

You can change distances prior to the event by letting our registration staff know (they have a form for this). If you decide to change distances while running, let our timing staff know when you cross the finish line.

Series Scoring & Teams

Points are assigned by place position for each age group. Points will be based on a point system (1st place 10 points, 2nd place 9 points, 3rd place 8 points through 10th place). You must participate in 4 of the 7 races to be eligible for the series awards. You can switch between distances (at no cost) but you must run in at least 4 races of the same distance.

Find three friends and create a team as part of the team challenge. It is free and open to everyone. Points are awarded to all teams and the winning team gets a free entry into the Chilly Willy Winter Run Series, a stupidly tall trophy and bragging rights. [See website for details.](#)
