## Race Day Instructions

### A Message From Our Race Director

Hey, Runners! We are still operating under our [approved social distancing plan](#). Our permits still require it. Every municipality is different, and they seem to be competing on how many times they can change their "guidance" each week. That makes our job rather challenging, so we will continue to do what we have been doing for a year now: providing safe and enjoyable events while exceeding social distancing guidelines!

It won't all happen at once, but we are working on a modified plan that will bring back award ceremonies, free kids' races, and, eventually, the free fresh fruit bar! For those ready to toe the line, you will be able to; for those who like the casual starts, we expect to make those permanent. You will be able to choose how you want to start because it's your race!

**In person age group awards are back!** Please remember to stay socially distanced during the awards or we will be back to doing... please don't make me say it again!

Thank you,  
Sean K. Osborne

Thank you for participating in a Silver Circle Sports Event. We know there are a lot of events in your neck of the woods and we appreciate you attending an event in our neck of the woods.

## Covid Screening Questions

Be prepared to respond to Covid screening questions at Packet Pickup.

---

Have you had any or do you currently have any of the following symptoms that you cannot attribute to another health condition?

Answer “Yes” or “No” to each question. Do you have:

- Fever or feeling feverish?
- Chills?
- A new cough?
- Shortness of breath?
- A new sore throat?
- New muscle aches?
- New headache?
- New loss of smell or taste?

If you answered “Yes” to any of the above, you should leave immediately, stay away from other people, and contact your health care provider.

---

## Face Coverings

Based on our current permits, ***face coverings are now required at events***. Here is how it works:

Anyone in the “arena” is required to wear a face covering. The arena is defined as anywhere other than on the race course. This includes registration, packet pickup, parking areas, finish line, start line, restrooms, beer line, medal line, anywhere near other people. If you are within 10’ of anyone, at any time, a face covering is required.

Once you are on course, face coverings do not need to be worn, provided you are at least 10 feet from another person. At the start, you are spaced 10’ from others - we strongly encourage you to keep that distance. If you need to pass, call out “on your left” and move as far left as you can. Once you have passed a runner and you are at least 10’ in front of them, move back to the right.

We encourage runners to consider using running buffs while running near others. Buffs are available on our [merchandise website](#).

When you cross the finish line, please move outside of the arena for your cool down. Once your cool down is complete, a face covering is again required.

If we want to keep running in person events together (and we do!), it is imperative that we exceed our permit requirements. Waukesha County is one of the few places in America that is open to in person events. It is up to our running community to prove that we can hold events safely.

Can I register at packet pickup? Yep!

Bring your QR code (it's on your receipt)

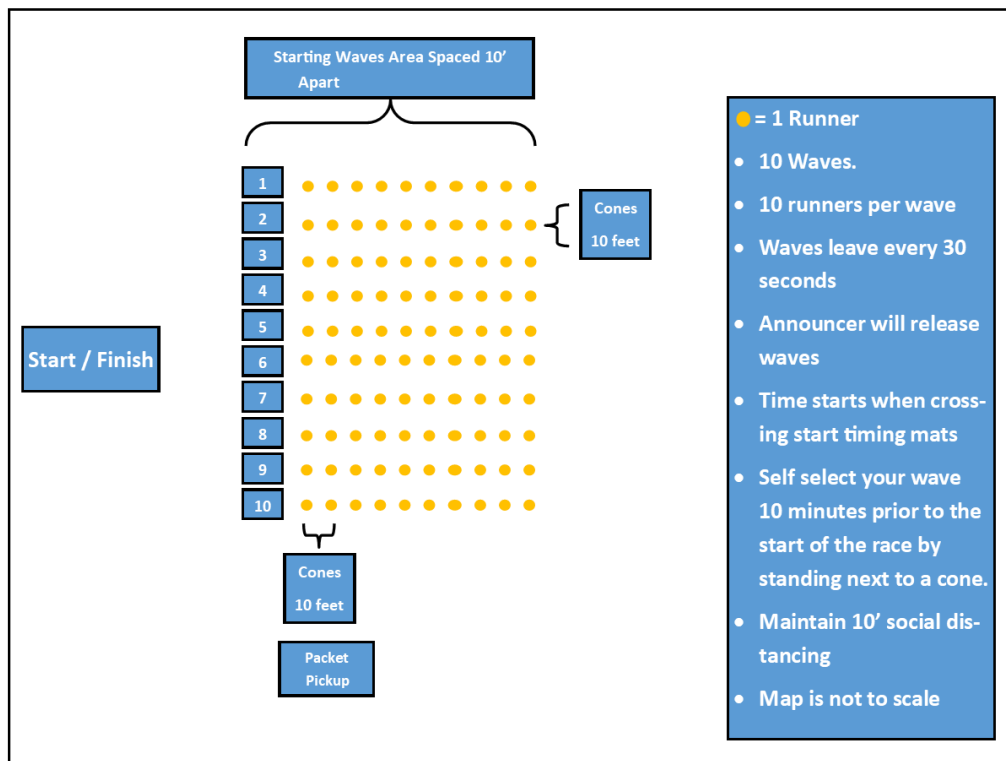

### Social Distancing

At all times, please maintain a 10' social distance from fellow runners.

### Waves

This is a wave start. Waves are comprised of 10 runners. We will have 10(ish) rows of 10(ish) cones, spaced 10' apart. You can self-select which wave you would like to run in by standing next to a cone facing the start line. We suggest faster runners in the first few rows and request you do not self-select your wave until 10 minutes before the start of the race.

The announcer will release one wave every 30 seconds starting at 9:00am The start mat will be adjacent to the volleyball court and your time will not start until you cross the mat. We encourage each wave of runners to self-distance as they approach the start mats.

## Course Info

### Restrooms

Restrooms are available at the pavilion in Picnic Area 1, near registration, and the start/finish line. There are additional bathrooms at all the other picnic areas.

### Course Marking and Closures

The entire course will be marked with signs and arrows. ALL of the courses will be on wide trails. There are NO road crossings and you will not be on a small side trail. You will never turn without the corner being marked with signs.

5K - 1 lap inside loop - 3.21 miles

10K - 2 laps inside loop - 6.42 miles

Half - 2 laps outside loop, one lap inside loop - 13.03 miles

[Inside course loop map](#) | [Outside course loop map](#)

The inside loop/outside loop split is at mile two. Outside loop runners will go straight and inside loop runners will turn right. The two courses merge again at mile 4.

The split will be marked, but you will need to count your loops. We will have a timing mat on the course tracking laps, but it is the athlete's responsibility to keep track of their individual lap count on course. Most Garmins have a lap feature on them.

### Aid Stations

Because we cannot guarantee a touch-free aid station, there are no aid stations on the course or at the finish line. **You should bring your own water.**

There will be an on-course bag drop area for you to leave your nutrition and hydration items. It is just west of the volleyball courts. Please place your bag in the designated bag drop area before the race and space it 10' from other bags. Both sides of the trail can be used.

This is a self-placement and self-serve bag drop. We will not be transporting bags on course. Don't worry, there is plenty of time and space for you to self-place your bag. Besides, do you really want some yahoo touching your water bottle?

## Switching Distances

You can change distances prior to the event by letting our registration staff know or you can do it by going to [runsignup.com](https://runsignup.com), profile, select the race, then switch events.

If you decide to change distances while running, just let our timing staff know when you cross the finish line.

## Awards

They are back! In person awards ceremony! Please, please, please maintain social distancing at the awards ceremony. If not, we will be forced to cancel them again. Sorry, it is a permit thing.

Custom medals for first – third place.
