Medical Emergencies

If you see a medical emergency, call 911. If a walker needs basic medical care, proceed to the nearest aid station and a staff member will assist.

There is an automated external defibrillator (AED) and first aid kit located on the registration trailer.

Weather

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement. Weather updates will be posted on Facebook.

Social Media

Last minute updates, photos, videos, and results all get posted here first.
