Course Info

Start / finish line

The start / finish line is located on the Village Green.

Course Marking and Closures

Thanks to the support of Oconomowoc Police Department, most of the course is closed. The neighborhood on the north side of the course off of Lisbon will not be closed but there is very little traffic. Volunteers & community service officers will be stationed along the course.

Course distances / maps

Maps are posted on the [website](#).

Social Distancing

This will be a wave start race. Waves of 10 people will start every 30 seconds. There will be 10 rows of cones with 10 cones per row, spaced 10 feet apart. You will self-assign your wave on race day by selecting the wave and standing next to a cone. The announcer will start each wave. We ask that people social distance at least 6 feet while in the park and wait until 10 minutes prior to select your wave. Your time will not start until you cross the start line. As you make your way from the wave area to the start, please continue to social distance by 10 feet.

Face Coverings

Based on our current permits, face coverings are now required at events. Here is how it will work:

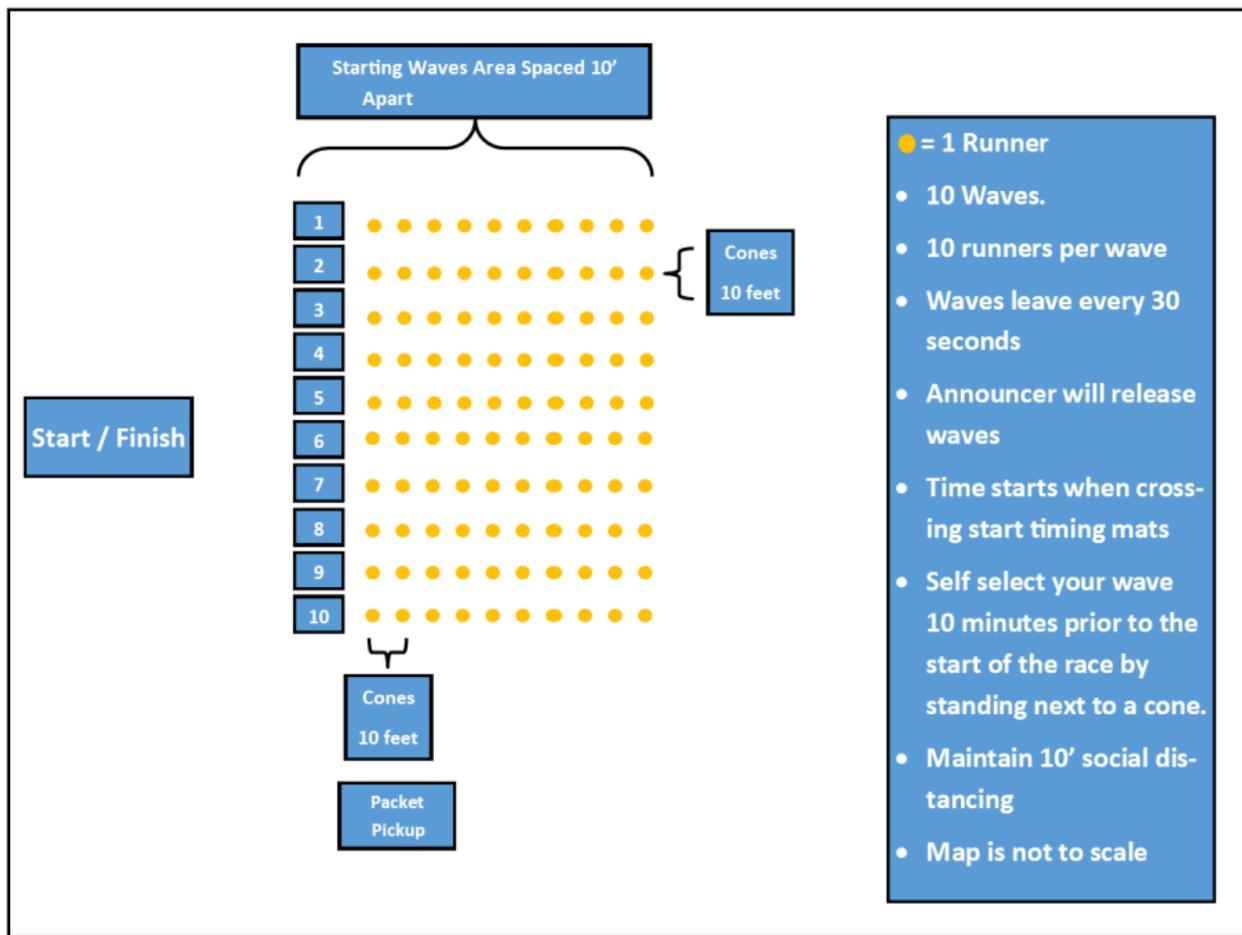

Anyone in the “Arena” is required to wear a face covering. The Arena is defined as anywhere other than on the race course. This includes registration, packet pickup, parking areas, finish line, start line, restrooms, beer line, medal line, anywhere near other people. If you are within 10’ of anyone, at any time, a face covering is required.

Once you are on course, face coverings do not need to be worn, provided you are at least 10 feet from another person. At the start, you are spaced 10’ from others - we strongly encourage you to keep that distance. If you need to pass, call out “on your left” and move as far left as you can. Once you have passed a runner and you are at least 10’ in front of them, move back to the right.

We encourage runners to consider using running buffs while running near others.

When you cross the finish line, please move outside of the arena for your cool down. Once your cool down is complete, a face covering is again required.

If we want to keep running in person events together (and we do!), it is imperative that we exceed our permit requirements. Waukesha County is one of the few places in America that is open to in person events. It is up to our running community to prove that we can hold events safely.

Water Stops

Because we cannot guarantee a touch free aid station, there will not be one on course. Water is available at the finish in the refreshment area.

Timing

The race is chip timed Silver Circle Sports Events with a chip start. Your time will begin when you cross the start line and conclude when you cross the finish line. Please make sure your bib is on the front of your body and visible to our staff.

Instructions on bib placement.

Referrals

For every three registrations, we will refund \$10.00 of your registration fee all the way up to 100%. Two ways to do it.

- **Facebook**

At registration checkout, you will be given the option to share your registration on Facebook. If 3 people register from that post, shazam we will refund \$10.

- **Email**

On your registration receipt, there will be a registration link. Share that link and we will refund \$10 for every 3 registrations. You can find the registration link by logging into your Run Sign Up account and email the receipt to yourself. The software will keep track of friends registering from your link and Facebook post.
