## Course Info

The start line is located 1 block east of the Oconomowoc Community Center at Village Green. This is the northeast corner of Wisconsin Avenue and S. Main Street.

Runners will run east along the new Fowler Lake boardwalk until St. Paul where they will turn south (right) until hitting Wisconsin Avenue. This is where all the Christmas lights are! Runners turn west (right) enjoying Downtown Oconomowoc's Christmas Light.

The road will be closed during this time and the course will be led by a vehicle but there will be cars parked on this portion of the course. Watch for any grinchies who may decide to jump in their sleigh at this time.

Once runners reach the Church street, they will turn south (left), pass the finish line (don't worry about the timing mats), run under the train trestle, and then a few blocks until reaching the Lake Country Trail.

The Lake Country Trail in does not have street lights because it is not a street. You should wear a headlamp and light safety vest. Please do not run / walk more than 2 abreast.

Once on the Trail you will pass the aid station at Roosevelt Park. The turn is about 1 mile later. Don't worry you can't miss it. There will be lots of lights at the turn and a 3 foot tall sign in the middle of the path that says turn here. You should turn here or your going to end up in Waukesha.

Once the turn is made, it's all downhill from there. You will know where the finish line is because you ran thought it early.

Please do not run / walk more than two abreast on the path. Faster runners will be approaching you on the path and they have very sharp elbows.

### [Course map](#)

## **What to wear?**

This is a night run. The first and last half mile are on public streets that have street lights. The trail does not. The course will be lined with cones that glow but expect it to be dark depending on the moon and weather.

A glow necklace will be provided to all runners and you must wear it. You are strongly encouraged to wear a night safety vest with blinking lights and a head lamp. If you would like to wear a head lamp, please point it towards the ground so you don't blind people running towards you.

You can purchase night safety vest at Endurance House Delafield.

## [Course Maps](#)

## **Aid Stations**

There are two aid stations on the course (its and out and back)

## **Restrooms**

Restrooms are available at check in.

## **Timing**

The race is chip timed by Silver Circle Sports Events and the chip is on your bib.

## [How to wear you bib.](#)

## **Race Day Registration**

We will have race day registration available for stragglers.
