Course Info

Start/Finish Line

The starting line is located on the east side of the parking lot on the path. Look for the START banners. The half marathon and 5K share the same course. Please watch for the half marathon split signs.

The half is **two laps**. After the first lap, you will turn right to begin a second lap. **Do not cross the finish line on the first lap.** After the second lap, you will turn left and finish under the finish line truss.

There will be a large sign at the split, like this

The "Loop"

At about mile 4.5 on the **half marathon course**, runners will turn right and do a small loop through the prairie and pine trees. Once you finish the loop, continue on the course. You will do the small loop on each of the two laps.

Walkers

For your safety, we ask that you start once the runners have cleared the start line. This will help avoid any collisions. Please stay to the left as you walk, which will allow for faster runners and walkers to pass.

Course Marking

The entire course will be marked with cones, arrow signs, split signs, and mile markers.

Restrooms

Restrooms are available inside the building at packet pickup and there will be porta potties near the start line.

Aid Stations

There will be two aid stations on course. 5K runners will pass one aid station at approximately mile 1.2, and half marathon runners will pass an aid station at approximately miles 1.2, 6.6, and 7.8. In addition, there will be a bag drop zone located just passed the start of the ½ marathon second loop on the north side of the course (see below):

Please place your bag in the designated bag drop area before the race. This is a self-placement and self-serve bag drop. We will not be transporting bags on course. Don't worry, there is plenty of time and space for you to self-place your bag before the race.

Garbage

There will be garbage cans on course. Please help us keep Zachariah's Acres beautiful and place all trash in a garbage can.
